

Anna Greenwald, Chief Readiness Officer

Anna Greenwald was named Chief Readiness Officer in March 2021. In this role, she leads global go-to-market strategy; agent network oversight and engagement; and global regulatory exam readiness.

Since joining MoneyGram in July 2011, Greenwald has held positions in Product, Technology, and Operations. In each role, her focus has been on delivering strategic change and transforming the business to better serve our customers and agents. Prior to MoneyGram, she worked for Boston Scientific, Qumu, and other leading technology companies. She led business model transformation, global expansion initiatives, managed merger activities, and oversaw compliance remediation efforts.

Greenwald holds a Master of Business Administration from the University of Colorado, a Master of Science from Metropolitan State University, and a Bachelor of Science from Minnesota State University.
